Constitutions of Grievance Rederssal Committee for Students.

STUDENTS GRIEVANCE AND REDRESSAL

The management is highly sensitive to any kind of students' problem and very keen to solve it at the earliest. Hence, as a mechanism to address and solve the problems then and there, Students Grievances and Redressal Committee was established. All kind of grievances, either academic or non-academic should be sent to the committee through the class incharges for redressal. The committee, in turn, has to address the problem and solve it within the time frame depending upon the seriousness of the grievance. The Committee is headed by the principal who is assisted by the Heads of various departments.

OBJECTIVES OF GRIVANCE REDRESSAL COMMITTEE

The objectives of the committee are, 1.To ensure a hassle-free atmosphere for the students to pursue their studies in the campus. 2.To make sure that there exists a very cordial relationship among the students and between students and staff.3. To address the grievance and find a solution at the shortest time duration. 4. To create a situation wherein the students are free to express their grievances without being afraid of victimization, 5. in case of grievances against the staff, 6.
